

March 10, 2010

Dear Youth Director or Parent,

Greetings! Enclosed you will find confirmation of your youth bowlers' participation in the 2010 Tennessee USBC Youth Pepsi Tournament. If you see an area next to your name highlighted in pink, we are missing information - please contact me ASAP with correct information. I've tried to contact many of you by email, but we cannot wait any longer to post squad times.

I do apologize for the delay; we had several centers that were out of commission due to the winter storms, and didn't want to penalize their bowlers. In addition, we had several entries which were submitted with incomplete information or lacking average verification. This is very important information for us to have in order to set up the tournament and plan appropriately. We made changes to the entry form this year to make that process easier and it helped tremendously. Please let us know what you think of the changes.

In case you haven't heard, because of the disaster at Smyrna Bowling Center, we had to add additional handicap squads to fit everyone. I appreciate your understanding of the changes; the management at Smyrna has really gone above and beyond to work with us.

Our scratch division is also bowling at a separate squad time this year, in order that we can give them the tougher sport shots like they will be facing when they advance to nationals. It is unfair for our bowlers to qualify on a regular shot, only to face such tough patterns down the road. We hope this will mean that the best bowlers will truly win, and that Tennessee will be represented well in Indianapolis this summer!

Another change this year is an increase of scholarship funds! Each squad will have a scholarship prize awarded to the highest handicap and scratch game bowled on that squad.

That said (drum roll please!), this year we have 550 entries, an increase from last year! We hope that the changes we are making to this event make it more competitive and more fun for the bowlers. That said, it will be very important for bowlers to be EARLY so that they can register and be ready to bowl so that our squads do not run behind.

Brunswick, as sponsor, has again donated a ball for fundraising, and Ebonite International has also donated several balls to us. We will be giving away a bowling ball at every squad; this money is used to help offset the travel expenses of the bowlers who advance to Nationals.

Margaret McPherson, of Enchanted Threads, will once again be at the tournament selling Pepsi Tournament shirts, towels and memorabilia, and will be able to personalize any item you purchase.

We are also working to have scholarship brackets available for \$5 per person per bracket. Scholarship funds will be paid through the SMART account.

We are looking forward to a great tournament, and can't wait to see you all!

Have a great day!

Brenda Green
TSUSBCY Director #3
2010 State Pepsi Committee Chair
